

# Remember Hiroshima & Nagasaki

At a time when our government has just voted to renew the UK weapons of mass destruction, it is even more important to remember the horror of nuclear weapons. Join us to remember those who died when the nuclear bombs were dropped, those who still suffer from radiation poisoning, and say **NEVER AGAIN!**

**Hiroshima Day, 6th August, 3pm, by the  
Packhorse Bridge in Hebden Bridge.  
Poetry, Readings, Song, Reflection.**
